## THE COMMUNITY

Nestled in the heart of Airdrie's welcoming, family-friendly Bayside community, Pier 11 offers the serenity of the country alongside the conveniences of the city. Nearby playgrounds, walking paths and canals encourage active lifestyles and provide the perfect setting to spend time with your family. Nose Creek Elementary School is just a few walk-able blocks from the neighbourhood. With canals running throughout the neighbourhood, nature is a key part of life here. At the same time, Airdrie continues to grow at a steady pace, with its range of amenities – from restaurants and boutiques to recreation centres and parks – expanding endlessly. This unique blend of accessibility and tranquility, of natural beauty and vibrant culture, will be the reason people choose to live here – and the reason that they never want to leave.
